

Barricade APECS

United's APECS are manufactured from waterproof, breathable tri-laminate fabric to military spec PD 77AESG 06-02

Brushed nylon outershell laminate with NIR technology

Garments are reinforced at elbows with 330 denier fabric

Both fabrics are durable, quiet and provide protection from weather and contaminants

Made in the U.S.A. – Berry Compliant

United's APECS parka has pockets with VELCRO® closures and draw cords at the waist and hem. Additional features include VELCRO® closures at the wrist, stowaway hood, and rank tabs. Waterproof zippers throughout make this parka ideal for all weather conditions. Our parka is sewn to military specification MIL-DTL-32157.

United's APECS trousers feature a drawcord at the waist with cord locks and have side pass-through pockets and elastic cargo pockets with flaps. Ankle zippers with VELCRO® closures allow for easy on/off. Our trousers are sewn to military specification MIL-DTL-32158.

Berry Compliant
