Wicks moisture for comfort & dries fast

Made in the U.S.A. – Berry Compliant

NEW COLOR!

Now available in Tan 499

Fortiflame® For Ladies garments are constructed from a jersey knit blend of modacrylic/ rayon/nylon yarns at 4.4 oz./sq. yard. The fabric is inherently flame resistant and has "0" after flame or melt/drip during test method ASTM D 6413-11. It is also HRC1 certified as defined by NFPA 70E. Our fabric is soft against the skin, even while meeting these stringent standards. Fortiflame® Layer I fabric will also keep the wearer dry from excessive moisture and is treated with Microban® anti-microbial to resist odors.
