United's F/R MultiCam[®] Combat Shirt is constructed from our F/R Level II body fabric which will allow freedom of movement and keep the user comfortable and dry. The fabric will wick moisture as well as resist odors. The Defender M[®] ripstop sleeves provide durability and freedom of movement.

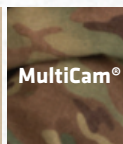

We added belled zippered pockets to each sleeve for convenience and the Velcro at each wrist will provide the user with an adjustable, snug fit. The shirt will tuck securely into the users waistband.
